MEMORANDUM

SUBJECT: McDonnell Douglas Corporation -
St. Louis Tract I

FROM: Ellen S. Goldman *Ellen S. Goldman*
Attorney
Office of Regional Counsel

TO: Stephen Busch
ARWM/WMBR

In accordance with your request I have the following comments:

1.) Page 5 §13 should be restructured according to §270.30 (1)(6). Otherwise it appears as if "the description of the occurrence... shall include..." (b) will only be required if there is a release or discharge of any hazardous wastes or any of the other occurrences listed in (b) and is not relevant to the occurrences listed in (a).

2.) The first paragraph on page 6 should be set apart from the previous sentence, by designating it as section (c).

3.) Why is there no provision for "Required Notice" requirements of §264.42. I am assuming this is because the facility only intends to handle off-site generated wastes from other McDonnell-Douglas sites in St. Louis.
